First time here?

We're so glad you're here with us—at Union, you're family!

A hybrid gathering with *real people and real worship*

The Union Combined Parish is a multisite congregation in Boston committed to love and liberation—historically Black, multicultural, and LGBTQ+ empowering.

We're a family of believers from all walks of life: Black, Brown, white, Latinx, Asian, and indigenous; young and seasoned; economically stable and struggling; transgender and cisgender; with and without disabilities; straight, gay, lesbian, queer, and allies; lifetime Christians, new beginners, skeptics, and seekers.
